

A background image of a vast, snow-covered mountain range under a blue sky with scattered white clouds. The mountains are rugged and partially covered in snow, with some rocky outcrops visible. In the distance, a few small figures of people can be seen on a snowy slope.

Your premium corporate solutions provider

**Supporting clients through
our Swiss offices**

Why Switzerland

Rated as the number 1 in global competitiveness* for several years, Switzerland remains one of the most attractive business locations in the world and provides an advantageous environment for global / regional headquarters of multinationals, investors and financial institutions. As a business location, Switzerland offers:

- A highly stable, political, economic and social environment
- An attractive legal, regulatory and administrative framework
- An extensive tax treaty network
- Strong investment protection treaties and free trade agreements
- Binding advance tax ruling practice
- A highly skilled and multilingual professional workforce
- A favourable business environment
- No controlled foreign corporation rules
- A high quality infrastructure.

Why work with us

As a regulated financial intermediary in Switzerland and with established offices located in Zurich, Zug, Lucerne and Schaffhausen, we have the knowledge, experience and expertise to implement service solutions efficiently and effectively.

With a diversified team of Swiss and international professionals, we provide a wide range of corporate solutions aimed at supporting our clients with their administration, accounting and corporate secretarial functions.

We are one of the market leaders in Switzerland, with a demonstrable track record in providing premium management, administration and back-office services.

Through our relationship with banks, we have negotiated beneficial interest rates for our clients and have access to a marketing leading FX dealing platform enabling us to offer a comprehensive solution for cross-border, cross-currency payments and receipt

Our experience

We are an experienced provider of corporate and financial outsourcing services to a wide range of institutional, corporate, financial and fund clients.

Some of our clients and the services we provide ...

North American multinationals

Administering a wide range of holding and financing vehicles and instruments across the capital structure on behalf of US and Canadian listed and privately owned multinational companies.

Insurance

Managing life insurance holding structures, including loan servicing, accounting / financial reporting, providing directors and working with banks to ensure premiums paid in a timely manner and benefits are paid out to investors.

Natural resources

Providing a full suite of corporate services (directors, domiciliation, office space, accounting) for companies operating in various natural resources, including coal, mining and onshore oil and gas drilling.

Offshore drillers

Providing a full suite of director, corporate and financial services for SPVs and operating leasing companies engaged in the holding, financing and leasing of drilling assets.

Our services

Our experienced specialist team provides a flexible and client focused service, including:

- Provision of directors
- Organization of shareholder and director meetings, together with company secretarial support
- Production of management accounts, in accordance with IFRS / US GAAP / Swiss GAAP
- Preparation of annual financial statements
- Opening and operating of bank accounts
- Preparation and filing of tax and other regulatory returns and arranging annual audits
- Provision of office accommodation and registered office
- Document management system
- iPad delivered board solutions
- VAT recovery
- Asset administration
- Cash and treasury management support
- Escrow
