

# Your premium corporate solutions provider

## Supporting clients through our Luxembourg office

### An attractive jurisdiction

The Grand Duchy of Luxembourg is a reputable and stable financial centre, offering an appealing operating base and a suitable environment with an attractive tax, legal, regulatory and administrative framework.

With its strategic geographical position to the European market, its political stability and its predictable and stable business environment, the Grand Duchy of Luxembourg is the ideal gateway.

The benefits of the Grand Duchy of Luxembourg as your choice of jurisdiction :

- A wide range of fiscal benefits
- An extensive Double Tax Treaties network and EU Directives
- No CFC rules
- No capital duty and a lump-sum registration duty
- Investment tax credits
- Low thin capitalization rules (15/85 – 1/99)
- Well-established practice of Advance Tax Analyses
- 100% exemption for foreign branches located in a DTT country
- Unlimited tax losses carried forward, provided continuity of the legal personality
- Significant funds industry
- Wide range of regulated / non-regulated tax efficient vehicles.

### What we will provide as your business partner?

Established in 1993, our Luxembourg team comes from a variety of backgrounds with a depth of experience, including in-house tax and legal competence as well as chartered accountants, chartered secretaries and other professionally qualified staff, all of whom are multi-lingual. This enables us to provide a wide range of corporate solutions to:

- Holding companies
- Finance companies
- Real Estate and Private Equity companies
- Alternative Investment Funds
- IP companies
- Asset financing companies
- M&A acquisition companies
- Structured finance special purpose vehicles
- Oil and gas companies
- Securitization vehicles.

### Why work with us?

- No matter what type of company, we can help you, from the initial incorporation, throughout the life of the company and the final liquidation
- Our dedicated and experienced corporate services team provide comprehensive management, administration and robust governance structure to holding companies and stand-alone special purpose vehicles
- Corporate services under combined ISAE 3402 / SSAE 16 Examination
- Multi-disciplinary and multi-lingual workforce (approx. 150 staff)
- You will benefit from our huge depth of resources as, by being part of Link Asset Services, we have links to shareholder, treasury, debt, fund and private client solutions
